

# 60th Birthday symposium

**Professor, dr. med.  
Anders Fuglsang-Frederiksen**

**Patologisk Auditorium 1**  
Bygning 18, Århus Sygehus,  
Nørrebrogade 44, 8000 Århus C.

**Friday November 3rd 2006**  
**13.00 – 17.00**

## PROGRAMME

Chairman: Birger Johnsen

**13.05**

**Werner Trojaborg:**

Professor, Dr. Med.

*Multifocal Motor Neuropathy: Electrophysiological Follow-up for 18 Years*

**13.20**

**Svend Prytz:**

Consultant MD, Dept. of Neurology, Copenhagen University Hospital

*New Developments in diagnosis and treatment of spastic dysphonia*

**13.40**

**Ian S. Schofield:**

Consultant BSc, MBBS, FRCP, Newcastle General Hospital, UK

*ESTEEM - Quality Control of the Electrodiagnostic Examination*

**Break**

**14.10**

**Wilfred Nix:**

Professor, MD, Dept. of Neurology, University Clinics Mainz, Germany

*Thymectomy for Myasthenia Gravis?*

**14.25**

**Annick Labarre-Vila:**

Consultant MD, Dept. of Neurology, Grenoble University Hospital, France

*Surface EMG for Assessment of Pathological Muscle Function*

**14.40**

**Peter R. W. Fawcett:**

Consultant BSc, MBBS, FRCP, Newcastle General Hospital, UK

*Congenital Limb-girdle Myasthenic Syndrome*

**14.55**

**Rocco Liguori:**

Consultant MD, Institute of Neurology, University of Bologna, Italy

*Turns-amplitude analysis of the electromyographic recruitment pattern*

**15.10**

**Mamede de Carvalho:**

Professor, MD, Dept. of Neurology, Hospital de Santa Maria, Lisbon, Portugal

*Respiration, Sleep and Neuromuscular Disorders. Can we help?*

**Break**

**15.40**

**Troels Staehelin Jensen:**

Professor, Dr. Med, Danish Pain Research Center, Aarhus University Hospital  
*Intersegmental Reflexes in Deafferentation*

**15.50**

**Charlotte Dornonville de la Cour:**

MD, Ph.D., Dept. of Neurology, Aarhus University Hospital

*Axonal loss after Guillain-Barré Syndrome*

**16.00**

**Kirsten Pugdahl:**

MS, Dept. of Clinical Neurophysiology, Aarhus University Hospital

*Sensory Nerve Involvement in Amyotrophic Lateral Sclerosis*

**16.10**

**Vibeke Sejer Hansen:**

MD, Dept. of Neurology, Aarhus University Hospital

*MR-detected Hippocampal Sclerosis and Seizure Activity in a Population of Adult Epilepsy Patients*

**16.20**

**Hatice Tankisi:**

MD, Ph.D., Dept. of Clinical Neurophysiology, Aarhus University Hospital

*Electrodiagnosis of Polyneuropathies in Europe*

**16.30**

**Erisela Qerama:**

MD, Ph.D., Dept. of Clinical Neurophysiology, Aarhus University Hospital

*EMG and Muscle Pain- New Insights*

**16.40**

**Susan Dyve<sup>1</sup>**

**Alexander Hess<sup>2</sup>:**

<sup>1</sup>Consultant MD, Dept. of neurosurgery, Aarhus University Hospital

<sup>2</sup>Consultant MD, Dept. of Clinical Neurophysiology, Aarhus University Hospital  
*Neurophysiological Monitoring during Brain Tumor Surgery*

**16.55**

**Closing remarks**
